Purpose of ABMOTS Newsletter

This newsletter is here to serve **American Baptist Men of the South (ABMOTS)**! If you or your men's ministry has something to share, this will be the vehicle for you to share it. I am hopeful our newsletter will inform, encourage, and inspire men throughout our region to grow stronger in our faith, step up and into more leadership roles within our churches and communities. I hope this newsletter will help us share good practices around the region and help us implement as well. Finally, I hope this newsletter will become a vehicle where we, men, can talk about what is affecting us personally and spiritually. I am eagerly looking forward to the growth and development this newsletter offers.

Type of and Submission of Articles

All articles highlighting your or area men's ministry's activities inside and outside of the church are welcome and solicited. When you are ready to submit your article, please check spelling, accuracy of your facts, and confirm any/all quoted or reference sources. Pictures are welcome as well. Please check with individual(s) or organization(s) to get permission before submitting any pictures. Please submit all articles and pictures via email to: vernonaclement@gmail.com.

New for ABMOTS

New! New! New! New! New!

There is something new coming for American Baptist Men of the South at ABCOTS 50th Annual Session in Richmond, Virginia. Your executive leadership team is planning a ***Leadership Development Training!*** on Tuesday, 28 April 2019. We are diligently working at developing and creating a program that will train all men to become better Christian leaders for their families, churches, and communities. It is our hope you will get equip with new tools to reach someone with the ability to encourage them to remain on the battleground for the Lord; or bring them into the Light of Christ.

Your presence is being requested so the first annual ABMOTS Leadership Development Training can be a success now and for the future. We are planning for breakfast with probably a light lunch so we can concentrate on learning and sharing as Christian men growing together in the Body of Christ.

Our Leadership Development Training will require a separate registration from ABCOTS registration but both will come in same mailing.

See You in Richmond April 2020!
